

SISO

Simulation Interoperability Standards Organization

"Simulation Interoperability & Reuse through Standards"

www.sisostds.org

#PowerOfSimulation

We are SISO

- **Mission**

- Vision

- Operating Principles

- *We develop and maintain modeling & simulation standards*
- *We promote and support their use around the world*
- *We improve technical quality and cost efficiency of M&S implementation*

We are SISO

- Mission

- **Vision**

- Operating Principles

- *We advance M&S technologies and practices*
- *We provide an open forum for exchange of ideas*
- *We serve the global community of M&S professionals*

We are SISO

- Mission

- Vision

- **Operating Principles**

- *Open, consensus-driven development*
- *Disciplined, proven process*
- *International participation*

SISO Benefits

- **Free access to standards for SISO members**
- **Have a voice in standards development at:**
 - Simulation Interoperability Workshops (SIWs)
 - NASA Space Exploration Experience (SEE)
 - SISO Workgroups
- **Leadership opportunities**
